

Learning at Unison

PTA Presentation
October 19, 2016

What is our instructional focus?

- We are dedicated to meeting the needs of all students that attend our school. This includes students with disabilities and English language learners.

How are classes run?

- We believe that giving students the opportunity to dig into real world problems using a hands on approach is key to student success.
- Two heads are better than one

Day to day classes

All classes are threefold:

1. Lesson
2. Independent/collaborative work time
3. Share/ reflect

Homework

- Teachers assign homework for each class, at a minimum of once per week.
- All work is graded and then uploaded into our online grading system Jupiter
- Teachers update grades once per week.
- 40% student's grade will come from progress
- 60% of students grades will come performance

Jupiter Logins for Parents and Students
